## COMPRENSIÓN LECTORA:

Read the following text and answer the questions below.

### The Benefits of Traveling

Traveling is a great way to experience new cultures, meet new people, and learn about the world. It can broaden your perspective and give you a new appreciation for different ways of life.

One of the benefits of traveling is that it can help you develop important life skills. You learn how to navigate unfamiliar places, communicate with people who speak different languages, and adapt to new situations. These skills can be useful in many areas of your life, such as work and relationships.

Traveling can also be a great way to relieve stress and recharge your batteries. Getting away from your daily routine and responsibilities can help you relax and clear your mind.

Overall, traveling can be a life-changing experience that can help you grow as a person and make lasting memories.
